worksheet

all levels

Look at the chart and write the names of these 12 animals using the phonemic script. There is an example done for you.

- goose
- parrot
- dolphin
- chicken
- seal
- lion /l aɪ ə n/
- gorilla
- leopard
- mouse
- snake
- deer
- mule

Then decide where the words go in this puzzle. Remember to use the phonemic script! There is another example done for you.

				1				
2		3						
4						5		
					6		7	l
8								aɪ
								ə
			9					n

Try not to look at the answers until you've finished!
